Program Information

The Montessori philosophy recommends that the programs be presented in a three-year cycle. The end of each cycle overlaps the next cycle to allow for individual learning and social development.

<u>Program</u>	<u>Age of Students</u>
Primary	2 through 5
Kindergarten	5 through 6
Lower Elementary	6 through 9
Upper Elementary	9 through 12

Children may be placed in the Primary program for their first year of the Lower Elementary cycle. All placements depend on the academic and emotional progress of the child. The teachers, in consultation with the parents and administration, make recommendations regarding student placement.

All Kindergarten children should be five by September 1, 2011 or pass an early entrance assessment. Our Kindergarten program is a Full Day program. We do not offer a Half Day Kindergarten program.

In order to enter our Elementary program, children should be six by September 1, 2011 or pass an early entrance assessment. In addition, elementary age children are accepted based on assessments by PBMS staff.

All children are subject to a six-week probationary period at their initial entry and at the beginning of each subsequent school year.

The school reserves the right to ask any parent to withdraw their child at any time, for any reason, and at its complete discretion, reserves the right to deny, cancel or suspend a child's enrollment if deemed in the best interest of the child or the school.
